Liberty Summit Newsletter

2025

We wish everyone a wonderful Thanksgiving holiday!

In observance of the holiday, our office will be closed on Thursday and Friday, November 27th and 28th.

Coffee Hour
Wednesdays
10:00AM

Card Club
Thursdays
7:00PM

Fitness Class
Wednesday 7PM
Saturday 9AM

Community Reminders

As the colder months roll in and we all start hibernating indoors with our fuzzy socks and hot cocoa, it's a good time to remember that walls and floors aren't always as thick as we'd like to think.

With everyone spending more time inside, sound carries whether it's surround sound movie nights, spontaneous dance parties, little feet or paws racing across the floor, or your beloved subwoofer shaking the ceiling.

We kindly ask that you be extra mindful of your neighbors during this cozy season. Let's keep the peace and the volume low enough that everyone can enjoy their winter snuggles in serenity. After all, silent nights aren't just for Christmas carols!

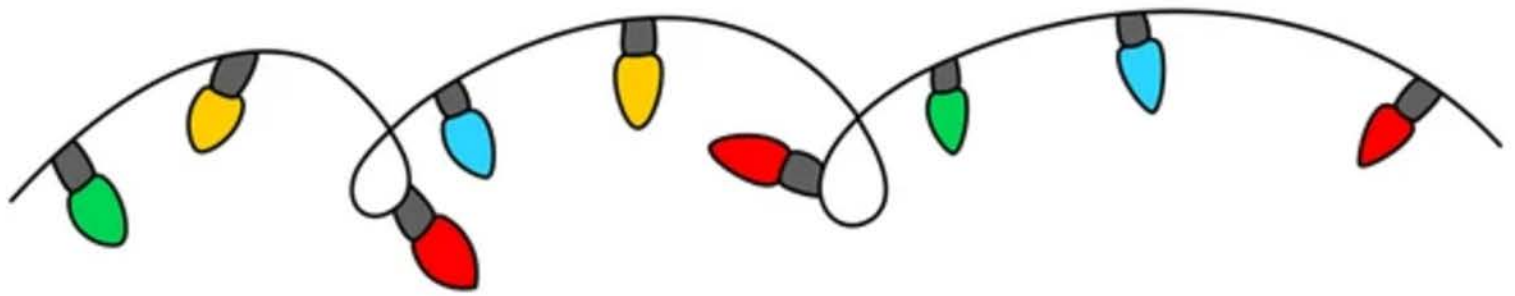

Maintenance Corner

We want to thank all of you for taking the time to set up your maintenance app. It's a total game-changer when it comes to communicating with our maintenance team and helps them respond to your requests much faster, which, let's be honest, is a win for everyone.

One especially helpful feature is the ability to upload photos with your request. Sometimes a picture of that mysterious leak or strange noise-maker really is worth a thousand words and can be more useful than a long explanation.

If you haven't set up the app yet or need a little help figuring it out, swing by the office. Bobbie Jo is your go-to tech guru and will gladly get you squared away. She accepts payment in thank-you's and five-star Google reviews (just kidding... kind of).

Toy and Food Drive

Make the holidays a little brighter

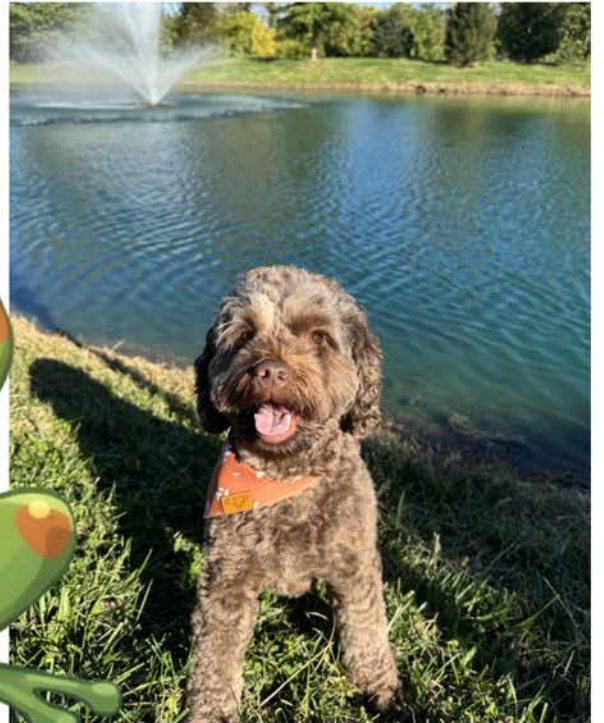

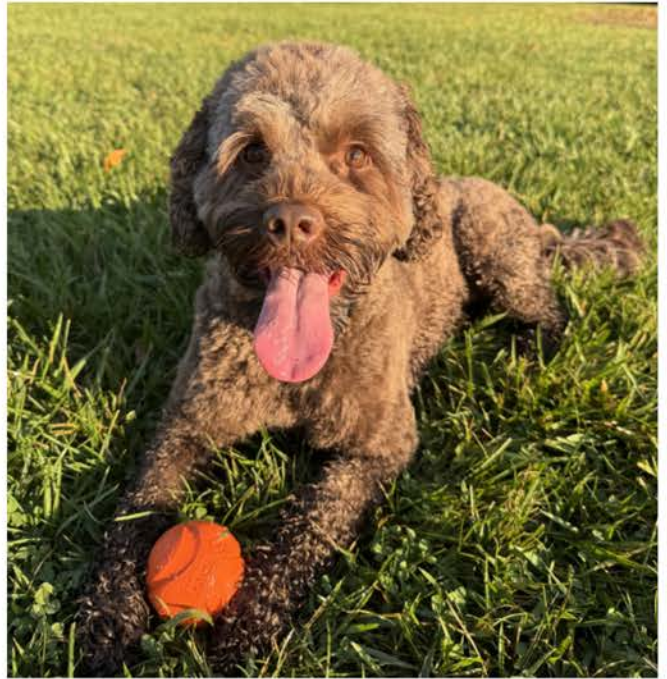

**Bring your nonperishable goods and toys,
and help make a difference for those in need!**

**We'll be collecting donations starting
Friday, November 1st.**

**And don't forget, Black Friday is a great time to snag some awesome deals
on toys, so it's the perfect chance to pick up something special to donate!**

Let's come together to spread some kindness this season!

Pet OF THE MONTH

Meet Millie - a three-year-old pup with big fall energy and an even bigger love for her giant “Lamby” toy (yes, it's bigger than her, and yes, she drags it around like it's her job).

When she's not on official frog patrol from the sliding door (a 24/7 surveillance operation), Millie spends her time zooming in circles the moment Mom or Dad walk through the door like they've been gone for seven years.

She's also a known fetchaholic, a sidewalk explorer, and an undercover snack thief who definitely knows she's not supposed to beg at dinner... but does anyway, with zero regrets.

Millie's fall vibe? Hot girl autumn — but with more fur and more snack crimes.
Catch her living her best life — Lamby in tow, nose to the wind, and eyes locked on the frog front!
