Pet of the Month... Santa Edition!

Last month, we tried to pick just one Pet of the Month—but there were simply too many cute pets to choose from (Santa and his elves couldn't agree... treats may have been spilled).

Instead, we're excited to share highlights from our Pet Pictures with Santa! From festive sweaters to reindeer antlers and lots of wagging tails, our furry residents truly stole the show.

Enjoy these paws-itively adorable photos—thank you to all the pets (and pet parents) who helped make this event such a success!
