MAINTENANCE

corner

IMPORTANT INFO:

A few simple weekly habits can help prevent problems and keep our community clean, safe, and comfortable.

Bathroom Fans

Turn on your bathroom exhaust fan before showering or bathing and leave it running for about 30 minutes afterward. Wipe down shower walls regularly, use a daily cleaner, and thoroughly clean the walls once or twice a year. Rain-X Shower Door Water Repellent can also help water bead and run off the surface.

Weekly Cleaning

Please make sweeping away cobwebs around your front entrance, porch, and balcony part of your weekly cleaning routine.

Furnace Closet Pipes

The pipes leading into the floor in the utility closet are AC condensation lines. Please check them weekly to make sure they haven't been bumped out of the floor opening. This can cause water damage.

Don't Overfill Your Freezer

Your freezer needs room for air to circulate. Don't pack it too tightly or block the vents, as this can cause uneven cooling, frost buildup, and make the appliance work harder.

Check Your Ice Bin

When putting groceries away, make sure your ice bin is properly lined up and seated. A bin that isn't positioned correctly can cause problems with the ice maker.

Keep Breezeways Clear

Please do not leave shoes or personal belongings in the breezeways. They can create trip hazards for your neighbors. Keep walkways clear at all times.

Reminder: Non-Smoking Community

As a reminder, we are a non-smoking community. Smoking is permitted outside and away from all buildings. If you do smoke, please be considerate of your neighbors and always pick up and properly dispose of your cigarette butts. Please do not leave them on the ground, sidewalks, landscaping, or common areas.

Know How to Use the Maintenance App?

If you need help getting set up, stop in and see Bobbie Jo. She'll be happy to show you how to submit a maintenance request.

After-Hours Emergencies

Regular maintenance hours are Monday–Friday, 8 a.m.–4 p.m. For a maintenance emergency outside of those hours, call: **614-448-1424**

Giving Back This November

This November, our community will be giving back! We'll be hosting a food drive and collecting new, unwrapped toys for the Salvation Army's Angel Tree program.

Every donation, big or small, can help make the holiday season a little brighter for a family in need. Watch for more details on drop-off locations and dates!

Let's come together as a community and spread a little holiday cheer!
